n Henry Wolf at his residence say the man live and Mr. Hyde life. He was known to his friends as a traveling man, while in country towns he represented himself as Dr. Hart.

He was arrested on complaint of Mrs. James Hewey, wife of a farmer of Abingdon, Iowa. He is said to have secured \$310 from the woman's husband by promisir, to cure her of consumption.

He induced Hewey to draw the money from the bank and then he hastily left for Chicago. The alleged swindler was traced by his railroad ticket. He gass no address to his victim. It was learned from the station' agent that he had boarded a Chicago bound train. At the Central passenger association's offices the name was discovered. Wolf's name does not appear an the city directory, and the police had much difficulty in finding him. Wolf is 50 years old. He has lived in Chicago for many years and his apartments are fitted up luxuriously. His neighbors were not aware that he was anything but a traveling man, as he represented himself to be.

It is said that on arriving at a town Wolf equipped with a physician's valise would call at a livery stable and engage the best equipage. He would then ask to be driven around the country. All the prominent farmers in this manner were pointed out to him.

Cuban Diarrhoea.

U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remeedy, however, that can always be depended upon, as will be seen by the following certificate from Mrs. Minnie Jacobs of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by all druggists.

is Proposed by Emperor William at a Dinner on His Yacht.

Imperial Yacht Club Kiel, Germany, June 24.-Emperor William at the conclusion of the dinner which he gave on board the imperial yacht Hohenzollern last night to the yachtsmen who had taken part in the transatlantic race, rose and said that as there are more Americans present than persons of any other nationality he would, with the consent of Lord Brassey, who was one of the guests, propose the health of the United States.

Privately, the emperor said he was delighted at the success of the race, which had attracted more entries and had turned out to be more interesting than he expected. He also added that he felt indebted to Allison V. Armour and C. L. F. Robinson, the American members of the command, the empedled the questions connected with the race with much tact and judgment.

The cup won by the Atlantic is of massive silver, one meter high and himself.
